MARKING THE 50TH ANNIVERSARY OF THE PELL GRANT PROGRAM

HON. KIM SCHRIER

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Friday, June 24, 2022

Ms. SCHRIER. Madam Speaker, I rise today to mark the 50th Anniversary of the Pell Grant Program.

In 1972, Congress amended the Higher Education Act by creating the Basic Educational Opportunity Grant. This legislation provides direct financial aid to low-income students so they can have the same access to higher education and opportunity for success as their higher income peers. This program was later named the Pell Grant for its original sponsor, Sen. Claiborne Pell, Democrat from Rhode Island. The original bill was signed into

law by Republican President Richard Nixon, and the program has maintained this original bipartisan support over the last 50 years.

The federal investment in Pell Grants is targeted to students with demonstrated financial need, with most families at incomes of \$40,000 or less, and can be used to fund career and technical education, community college education, university education, and post graduate education. The investment pays off by increasing college completion and boosting economic mobility.

To date, more than 80 million students have received a Pell Grant to go to college since the program's creation. Currently, nearly 7 million students are going to college with Pell Grants, or about 40 percent of undergraduate students.

In my congressional district, 6,796 students are receiving \$28,721,279 in Federal Pell Grant funds to pursue their higher education goals at our local colleges. In my state of Washington, 87,342 students receive \$357,725,397 in Federal Pell grant funds.

I look forward to Congress continuing the bipartisan support for low-income student access to college through the Pell Grant for another 50 years.

HONORING THE LEADERSHIP AND LEGACY OF NANCY L. DONAHUE

HON. LORI TRAHAN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Friday, June 24, 2022

Mrs. TRAHAN. Madam Speaker, I rise today on her 92nd birthday to honor the tremendous contributions and legacy of Nancy Donahue, a passionate community leader who has led by example as an activist, arts enthusiast, humanitarian and philanthropist. She has dedicated her life to her family, to the tremendous success of the Whistler House Museum of Art, and to the prosperity of communities across the Merrimack Valley.

Nancy was born in New Britain, Connecticut in 1930 to parents who instilled in her the importance of giving back to her community. When World War II broke out, Nancy was in junior high school. Seeing her parents volunteer to help families who needed support, she decided to join the Victory Farmettes where, alongside other young girls, she harvested crops on farms around her town. During high school, she was a Candy Stripper at the hospital in her community.

After graduating from Lasell University in 1950, Nancy accepted a job at IBM, where she was one of five women salespeople in the entire company. Although she had a full time job, Nancy found a way to continue serving her community and country during the time of the Korean War. She volunteered to work nights as an Air Patrol where she watched for enemy planes on top of Hancock Tower. While living in Boston, Nancy met the love of her life, Richard Donahue, and the pair were married in 1952. They would go on to have eleven children whom they raised to always remember where they came from and to give back to their community whenever possible.

Over the span of her lifetime, Nancy can be credited with spearheading the cultural revitalization of the City of Lowell. One of the most notable contributions she has made to our
